Applications are invited from Indian citizens for filling up a **temporary position** of Junior Research Fellow to work in DST (SERB) sponsored project entitled “Physicochemical properties of amphiphilic drugs: Effects of addition of organic solvents”. The duration of project is 3 years. The qualifications and other requirements are given below.

Sl No.	Position	Educational Qualification
1	Junior Research Fellow (JRF)	M.Sc in Chemistry with minimum 60 % (6.5 CGPA) marks with NET/GATE qualification. In the absence of NET/GATE qualified candidates M.Sc Chemistry with minimum 60 % (6.5 CGPA) marks alone will be considered with lower salary.

- Selected candidate with NET qualification will be appointed initially for a period of one year with a salary of 25,000/- per month and it can be extended for another year with same salary. A fellowship amount of Rs. 28,000/- per month will be paid in the 3rd year if the candidate’s work is found to be satisfactory.
- Selected candidate without NET qualification will be appointed initially for a period of one year with salary of 14,000/- per month and it can be extended for another year with same salary. A fellowship amount of Rs. 15,000/- per month will be paid in the 3rd year if the candidate’s work is found to be satisfactory.
- 10 % of the fellowship amount will be paid as HRA.

The fellowship/salary is subject to change depending on DST directions.

Interested candidates may send application along with copies of mark sheets and certificates from high school onwards to the undersigned either by post or email. Last date for receiving the application is **20/03/2015**. Candidates are advised to mention their valid mobile No. and email Id in their application. Date for Interview/other communications will be informed to the shortlisted candidates through email only. Relaxation is admissible to SC/ST/OBC candidates as per Govt. of India norms. No TA/DA will be paid for attending interview.
