

Progress Report of Unnat Bharat Abhiyan - NIT Mizoram (as on 04-09-2018)

- ✓ National Institute of Technology Mizoram has adopted **Five Villages** under Unnat Bharat Abhiyan. The details are as follows:

Sl No.	Name of Village	Block	District
1	Lengpui	Tlangnuam	Aizawl
2	Sairang Dinthar	Tlangnuam	Aizawl
3	Hualngohmun	Aibawk	Aizawl
4	Sialsuk	Aibawk	Aizawl
5	Tlungvel	Thingsulthliah	Aizawl

All the above villages have already achieved Open Defecation Free (ODF) status.

- ✓ The members of UBA cell visited Lengpui village on 20-08-2016 and interacted with the village council members of Lengpui village.

- ✓ The drinking water samples from two sources were collected and analyzed at lab of P.H.E.D. Govt. of Mizoram.
- ✓ Organized one day computer training program for school children of Lengpui village on 26th May 2017.

- ✓ A group of faculty members visited the Lengpui to conduct Village Survey and household survey on 11-12 August 2017. Village council president provided the data about village and after which household survey was collected from individual houses. They had arranged 6 volunteers to go along with faculties in order to communicate with local people effectively and on these days survey were taken from 150 households. The faculty members involved in this visit includes coordinator Dr. P. Ajmal Koya, coordinator Dr. H. Lalhmingsanga, Dr. Gyanendra Singh, Dr. Abhijit Sinha, Dr. Basil Kuriachen, Dr. Surender Ontela and Mr. Prgati Singh.

- ✓ Three faculty members (Dr. P. Ajmal Koya, Coordinator UBA & AP Chemistry, Dr. Surender Ontela, AP Maths and Mr. Pragati Singh, AP ECE), field Surveyor appointed under UBA and 60 NSS volunteers visited the Lengpui village to conduct household survey on 02nd October 2017. The NSS volunteers of the Institutes were divided in to 30 groups for conducting the house hold survey. With the full support from students, we could conduct survey at 422 households on the same day.

- ✓ These data have been entered in the website of UBA, IIT Delhi, the national coordinating Institute for UBA program, as per their instruction.
- ✓ Field surveyor appointed under UBA have completed the household survey at Sairang Dinthar and Hualngohmun villages.
- ✓ 3 Teachers and 65 first year students visited Sialsuk Village on 11/08/2018 and conducted the household survey.
- ✓ Similarly, another group of 3 teachers and 65 students visited Tlungvel Village on 11/08/2018 and conducted the household survey.
- ✓ All departments have been asked to submit proposal on the identified areas for betterment of adopted villages.
