

About the Institute

NIT Mizoram was established in the year 2010 in the state of Mizoram with an objective to impart education, research & training leading to B.Tech, M.Tech & PhD. degrees. This institute has been declared as an Institute of National Importance by an Act of Parliament. The Institute has five departments viz. Depts. of Computer Sc. & Engg., Civil Engg., Electronics & Comm. Engg., Electrical & Electronics Engg. and Mechanical Engg. It also has a department of Basic Sciences & Humanities..

About the Centre

Due to the positive correlation between innovation and economic growth, entrepreneurship and innovation is picking up and therefore, is assuming a greater role in India. We, at the Entrepreneurship and Innovation Centre, NIT Mizoram aim to inculcate the spirit of Entrepreneurship and Innovation amongst the fraternity, so as to provide the individuals with ideas and potential business opportunities by connecting them with working professionals in the industry as well as existing/aspiring entrepreneurs.

In 2015 Institute had established Innovation Club to inculcate spirit of Innovation amongst the fraternity. Furthermore in 2018 it was converted to a dedicated Centre, namely 'Entrepreneurship and Innovation Development Centre' to promote start up and innovation activities.

The objectives of the Centre are:

- To promote start-up creation through intermediary stages of innovation, incubation and entrepreneurship.
- To inculcate the spirit of innovation & creativity amongst the students and entrepreneurs of Mizoram
