From Director's desk

Established in 2009 by the Ministry of Education, NIT Mizoram is an Institute of National Importance nestled in the serene hills of Aizawl. Currently operating from our temporary Chaltlang campus, our permanent campus is rapidly developing at Lengpui.

Our relentless commitment to academic excellence is reflected in our 101-150 NIRF ranking. We are at the forefront of technological innovation, proudly hosting a state-of-the-art 5G Use Case Lab—inaugurated by the Hon'ble Prime Minister in 2023—to drive advanced research in 5G/6G, AI, and smart cities.

We provide unparalleled academic pathways through strategic partnerships. Our B.Tech students can pursue a 5-year integrated MBA at IIM-Visakhapatnam without the CAT exam, a prestigious route 14 of our students secured for 2025.

Additionally, top-performing scholars (CGPA 8.0+) can complete their fourth B.Tech year at IIT Madras, unlocking Direct PhD opportunities at various IITs without requiring GATE.

NIT Mizoram remains steadfast in its mission to be a globally recognized premier technical institution, empowering the next generation of innovators.

Prof. S. Sundar
Director, NIT Mizoram
Chair Professor, IIT Madras

FROM ACADEMIC OFFICE

NIT Mizoram delivers a dynamic, NEP 2020-aligned curriculum designed to foster innovation, research, and industry readiness. We offer B.Tech degrees across seven disciplines—including our newly introduced Chemical Science & Technology program—alongside five specialized M.Tech streams and comprehensive Ph.D. programs spanning engineering, basic sciences, and humanities

To provide flexible learning, our Centre of Interdisciplinary Research (CIR) facilitates 5-year Dual-Degree (B.Tech + M.Tech) programs and Minors in cutting-edge fields like AI/ML, Data Science, and Semiconductor Technology. Students also benefit from seamless upgrade pathways to higher degrees.

Our rigorous academic environment translates into outstanding career outcomes. We achieved a stellar 91.9% placement rate in 2025-26, partnering with global leaders like Adobe, Deloitte, L&T, and Tata Electronics. Furthermore, we maintain a 100% industrial internship completion record for B.Tech students, collaborating with giants like Google, Microsoft, DRDO, and SAIL. Underscoring our strong academic foundation and competitive environment, 27 of our students successfully qualified in the national-level GATE 2025 examination.

Prof. Sukanta Roy
Dean (Academics), NIT Mizoram

FROM REGISTRAR'S DESK

Beyond our academic milestones, NIT Mizoram actively fosters a culture of collaborative innovation. We have established robust MoUs with premier organizations—including various IITs, BIS, AAI, INAE, and STPI—unlocking seamless training, placement, and prestigious research internship opportunities for our students across the country.

Our global footprint continues to expand through knowledge-sharing workshops and exchange programs with leading academic experts from the USA and Germany, bolstered by strategic partnerships with the U.S. Consulate and DAAD.

Locally, we are deeply committed to regional development, partnering extensively with the Mizoram government on vital infrastructure projects. This dedication to applied research yielded multiple research grants and consultancy projects. Furthermore, our robust academic ecosystem is evidenced by approximately 600 SCI-indexed publications and 25 filed patents over the last five years.

Moving forward, we are aggressively expanding our incubation and entrepreneurship initiatives. Through the steadfast dedication of our faculty, staff, and students, NIT Mizoram is rapidly emerging as a preferred destination for high-quality technical learning, global research, and societal betterment.

Prof. Ajmal Koya Pulikkal
Registrar In-Charge, NIT Mizoram

VISION

To serve the societal needs of the country in particular and the world in general through achieving excellence in innovative scientific and technical education and cutting-edge research.

MISSION

- To impart and enhance quality technical and scientific education to young men and women.
- To promote research in both fundamental and applied knowledge for the betterment of society.
- To promote all fields of innovation and provide support to entrepreneurs.

HOW TO VISIT NIT MIZORAM

BY AIR

BY TRAIN

BY ROAD

By Air:

Aizawl can be reached by direct flights from Kolkata / Guwahati / Delhi / Imphal. Aizawl is approximately 32 Km far from Lengpui (Aizawl) Airport.

By Train:

Presently, Sairang is the nearest railway station to NIT Mizoram, just 20 km away from the campus. The journey (by road) from Sairang station to Aizawl may take approx. 40 minutes. Taxi/Cab/Buses (sharing basis) are available.

By Bus / Sumo:

Guwahati to Aizawl: Private Buses (Network, Capital, etc.) are available from Guwahati. Booking Counters for these buses are located at Paltan Bazar. The journey to Aizawl by Bus is approx. 22hrs. Alternatively, students can come by Bus till Silchar and from there to Aizawl by Sumos (Sumos are available from Mizoram House, Sonai Road, Silchar). Direct Sumo Service are also available from Guwahati to Aizawl: Sumos are available from Mizoram House, Christian Basti G S Road, Guwahati (Evening). The journey to Aizawl by sumo is approx. 20 hrs.

Courses Offered

UG Programme (B.Tech)

- Civil Engineering
- Mechanical Engineering
- Computer Science and Engineering
- Electrical Engineering
- Electronics and Communication Engineering
- Mathematics and Computing
- Chemical Science and Technology

PG Programme (M.Tech)

- Structural Engineering
- Thermal Engineering
- Computer Science Engineering
- Power and Energy Systems Engineering
- Microelectronics and VLSI System Design

Dual Degree Programme (B.Tech + M.Tech)

- Data Science
- Computational Nanotechnology and Semiconductors
- Fluid and Thermal Engineering
- Smart Grid Technology
- Structural Engineering

Minor Programme (B.Tech + Minor)

- VLSI and Semiconductor Technology
- Sustainable Electric Transportation
- Green Energy and Sustainability
- Artificial Intelligence and Machine Learning
- 3D Printing and Robotics

Courses Offered

Ph.D. Programme

- Civil Engineering
- Mechanical Engineering
- Computer Science Engineering
- Electrical Engineering
- Electronics and Communication Engineering
- Mathematics
- Physics
- Chemistry
- Economics
- English
- Humanities and Social Sciences

Integrated Ph.D. Programme

(Directly from B.Tech Final Year and M.Tech Final Year)

- Civil Engineering
- Mechanical Engineering
- Computer Science Engineering
- Electrical Engineering
- Electronics and Communication Engineering
- Mathematics
- Physics
- Chemistry
- Economics
- English
- Humanities and Social Sciences

Seat Allocation

B. Tech Disciplines	No. of Seats
Chemical Science & Technology	10
Civil Engineering	34
Computer Science & Engineering	34
Electrical Engineering	34
Electronics & Communication Engineering	34
Mathematics & Computing	10
Mechanical Engineering	34

M. Tech Specializations	No. of Seats
Computer Science & Engineering	10
Microelectronics and VLSI Design	10
Power and Energy Systems Engineering	10
Structural Engineering	10
Thermal Engineering	10

Department of Civil Engineering

B.Tech. (Civil Engineering)

Core Subjects

- Mechanics of Solids
- Fluid Mechanics
- Geomatics Engineering
- Engineering Geology
- Structural Analysis
- Hydraulic Engineering
- Transportation Engineering
- Civil Engineering Materials
- Geotechnical Engineering
- Water Resources Engineering
- Water and Wastewater Engineering
- Construction Technology
- Project Management
- Design of Steel Structures

- Waste Management
- Pavement Engineering
- Modelling and Simulation
- Design of Reinforced Structures
- Drawing, Estimation and Costing

Core Laboratories

- Concrete Lab
- Surveying Lab
- Hydraulics Lab
- Environmental Lab
- Geotechnical Lab
- Structure Lab
- Computational Lab

Laboratory Facilities at Civil Engineering

Department of Mechanical Engineering

B.Tech. (Mechanical Engineering)

Core Subjects

- Engineering Mechanics
- Engineering Drawing
- Solid Mechanics
- Fluid Mechanics
- Material Science
- Thermodynamics
- Machine Drawing
- Kinematics of Machine
- Manufacturing Science and Technology
- Heat Transfer
- Machining Technology and Metrology
- Industrial Engineering and Management
- Finite Element Method

- Sustainable Engineering
- Internal Combustion Engine
- Automation and Advanced Manufacturing
- Turbo Machinery
- Computational Fluid Dynamics

Core Laboratories

- Engineering Mechanics Lab
- Mechanical Workshop
- Fluid Mechanics Lab
- Dynamics of Machinery Lab
- Strength of Materials Lab
- Manufacturing Lab
- Thermal Lab
- High Performance Computing Lab

Laboratory Facilities at Mechanical Engineering

Department of Electrical Engineering

B.Tech. (Electrical Engineering)

Core Subjects

- Basic Electrical Engineering
- Circuit Theory
- Electromagnetic Field Theory
- Electrical and Electronics Measurements
- Digital Logic Design
- Electrical Machines
- Power Systems
- Power Plant Engineering
- Control Systems
- Analog Circuits
- Basic Electronics Engineering
- Power Electronics
- Microprocessors & Microcontrollers

- Electrical Drives
- Digital Signal Processing
- Switchgear and Protection
- Instrumentation Engineering

Core Laboratories

- Basic Electrical Engineering Lab
- Electrical & Electronics Measurement Lab
- Electrical Machines Lab
- Power Electronics and Drives Lab
- Control Systems Lab
- Power System Simulation Lab
- Instrumentation Lab
- Circuit Theory Lab
- Power Electronics and Drives Lab

Laboratory Facilities at Electrical Engineering

Department of Electronics and Communication Engineering

B.Tech. (Electronics and Communication Engineering)

Core Subjects

- Basic Electronics Engineering
- Solid State Devices
- Digital Logic Design
- Signals and Systems
- Circuit Theory
- Data Structures
- Analog Circuits
- Analog Communication
- Electromagnetic Theory
- Computer Organization and Architecture
- Digital Signal Processing
- Microprocessors and Microcontrollers
- Fundamentals of VLSI Design
- RF & Microwave Engineering

- Computer Networks
- Digital Communication
- Linear Integrated Circuits
- Control Systems

Core Laboratories

- Digital Circuits Lab
- Analog Circuits Lab
- Integrated Circuit Lab
- Microprocessors & Microcontrollers Lab
- Analog Communication Lab
- Digital Communication Lab
- DSP Lab
- VLSI Lab
- RF & Microwave Lab
- Analog VLSI Lab

Laboratory Facilities at Electronics and Communication Engineering

Department of Computer Science and Engineering

B.Tech. (Computer Science and Engineering)

Core Subjects

- Data Structures
- Object Oriented Programming
- Theory of Computation
- Computer Networks
- Computer Organization and Architecture
- Design and Analysis of Algorithms
- Database Management System
- Operating Systems
- Microprocessors and Microcontrollers
- Artificial Intelligence
- Principles of Compiler Design
- Software Engineering
- Computer Graphics
- Machine Learning

- HSS/Management
- Natural Language Processing
- Image Processing
- Network security and Cryptography

Core Laboratories

- Programming & Network Lab
- Programming & Database Lab
- Operating Systems Lab
- Compiler Design Lab
- Computer Graphics Lab
- Software Engineering Lab
- Machine Learning Lab
- Computer Organization and Architecture Lab

Laboratory Facilities at Computer Science and Engineering

Department of BS&HSS

B.Tech. (Mathematics & Computing)

Core Subjects

- Engineering Mathematics
- Data Structures
- Real Analysis
- Probability and Statistics
- Operations Research
- Scientific Computing
- Linear Algebra & Applications
- Differential Equations & Integral Transforms
- Abstract Algebra
- Database Management System
- Discrete Mathematics
- Complex Analysis
- Nonlinear Optimization: Theory & Algorithms
- Fluid Dynamics
- Stochastic Calculus
- Neural Networks
- Functional Analysis

- Artificial Intelligence
- Theory of Computation
- Design and Analysis of Algorithms
- Multivariate Statistical
- Methods Managerial
- Economics

Core Laboratories

- Data Structures Lab
- Operations Research Lab using C/C++
- Scientific Computing Lab
- Database Management System Lab
- Nonlinear Optimization Lab using R
- Artificial Intelligence Lab
- Machine Learning Lab
- Statistical Methods Lab

Laboratory Facilities for Mathematics & Computing

Department of BS&HSS

B.Tech. (Chemical Science and Technology)

Core Subjects

- Engineering Chemistry
- Fundamentals of Organic Chemistry
- Fundamentals of Physical Chemistry
- Introduction to Chemical Technology
- Material Science
- Fundamentals of Inorganic Chemistry
- Introduction to Quantum Chemistry
- Organometallic Chemistry
- Chemistry of Biomolecules and their Functions
- Industrial Chemistry
- Electrochemistry and Chemical Kinetics
- Polymer Science and Engineering
- Nanomaterials: Synthesis and Applications
- Spectroscopic and Instrumental Techniques for Chemical Analysis
- Artificial Intelligence
- Medicinal Chemistry
- Chemical Technology: From Principle to Products
- Computational Chemistry
- Environmental Science and Engineering

Core Laboratories

- Computational Chemistry Lab
- Chemical Technology Lab
- Data Structures Lab
- Computer Programming Lab

Laboratory Facilities for Chemical Science and Technology

Central Library

In order to serve the diverse library needs of the Engineering Undergraduate, Post graduate, Research Scholars, the faculty members, and other library users the central library has collections of Textbooks, e-Books, Reference books, Conference proceedings, Annual report, Magazines etc. A glance at the position of the Central Library is as under-mentioned:

Sl. No.	Particulars	No. of Books or Collections
1	Physical Books	13,267 (Over 500 books in Reference Section)
2	E-Books	8,017 Collections
3	E-Journals	30 Journal Subscriptions (ONOS)
4	Newspapers	6 Newspapers per Day (2 Copies Each)
5	Reference Assistant Software	Grammarly & Turnitin

Library Facilities at NIT Mizoram

Central Library

IRINS & VIDWAN: Central Library has enrolled faculty members and researchers in IRINS, a web-based Research Information Management (RIM) service developed by INFLIBNET for showcasing scholarly and research activities.

RFID & KOHA LIBRARY MANAGEMENT SYSTEM:

The Central Library has implemented RFID technology and KOHA Library Management Software to automate circulation, cataloguing, acquisitions, inventory management, and security. RFID-enabled self-service kiosks, security gates, handheld readers, and book-drop systems enhance user convenience and resource management, while KOHA provides a customizable Web OPAC and real-time reporting facilities.

KNIMBUS: Central Library has introduced the new e-library software Knimbus. It is a digital Library Solution, which will assist in attending key challenges to the digital library in the present condition.

GRAMMARLY: The Central Library has procured Grammarly software for better writing experience of the users of NIT Mizoram.

Book Circulation Services: 9:00 am – 5:00 pm, and Reading Area Timings: 9:00 am – 8:00 pm.

Library Facilities at NIT Mizoram

Central Library

Library Facilities at NIT Mizoram

Sports

Mizoram is a state which is very much influential to cultural and sport activities. NIT Mizoram being located temporarily in Aizawl has been conducting sport activities by hiring playgrounds, indoor stadium in different localities in Aizawl. NIT Mizoram is conducting sports annually named as SHAURYA which includes different outdoor and indoor sports activities such as Cricket, Football, Basketball, Handball, Athletics, Kabaddi, Table Tennis, Badminton, etc. Also, NIT Mizoram students are participating in INTER NIT Sports competition.

Malsawmdawnliana of NIT Mizoram won the **Gold Medal** in 66kg Category Power lifting in All India Inter NIT Competition 2023 . Mr. Laldawngzuala participated in Weightlifting under 73 Kg category and won the **Gold Medal**. Also, C. Zorinliana won the **Bronze Medal** in 83kg Category Power lifting.

NATIONAL CADET CORPS (NCC)

Cadet Rohit Kumar is selected to be a part of Prestigious Prime Minister's Rally

Cadet Manvi Chauhan has been selected in Top 10 to represent North eastern Region in the Startup Idea Pitching

NATIONAL SERVICE SCHEME (NSS)

NIT Mizoram has started NSS Unit in the year 2017, and has been functioning with the participation of students and staff from all the engineering disciplines

HEALTH CARE CENTRE (HCC)

Health Care Centre of NIT Mizoram is being engaged with Doctor, Nurse and Counsellor and the outdoor unit is operational from 9:00 am to 3:00 pm on working days. To provide proper health care & in case of medical emergencies, the institute has leased out 2 (two) emergency vans for 24 hours & 7 days a week which are permanently deputed in the hostels along with a driver.

Health Care Facilities at NIT Mizoram

HOSTELS

The Institute provides Hostel facilities to the students of NIT Mizoram. At present there are 2 (two) Girls' Hostel and 4 (four) Boys' Hostel. The hostels are provided with standard facilities of lodging and fooding along with internet services. Indoor games and sports facilities along with Gym facilities are provided in the hostels. There are also common rooms in the hostels with television and newspapers and magazines. The students celebrate festivals like Holi, Eid, Onam, Diwali, Christmas, etc. in the hostels. The Institute also provides bus services to commute the students from the hostels to the academic blocks. Alongside there are ambulances stationed in the hostel premises for emergency services. Each hostel is also installed with generator for power back up in times power failure. Each hostel has a Warden and Assistant Warden, who are faculty members of the Institute. There are also caretaker and security guards stationed in the hostel and sanitation personnel to safeguard and maintain the overall premises of the hostels. Overall, the Institute's effort is to provide a home away from home for the students of NIT Mizoram.

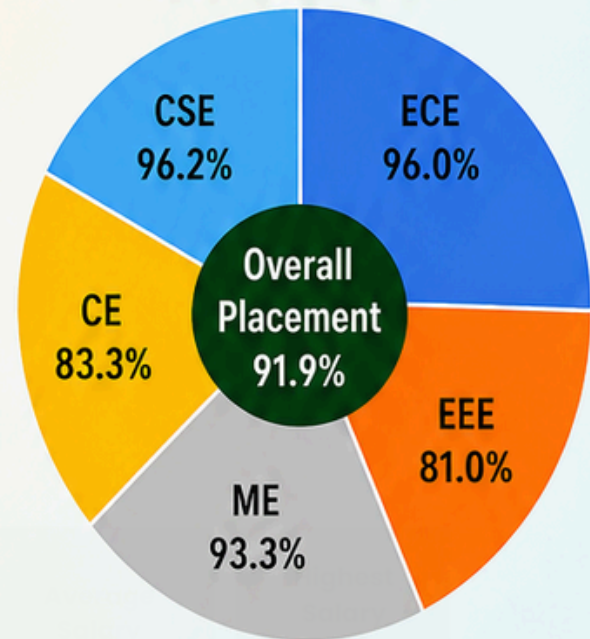

Hostel Facilities at NIT Mizoram

PLACEMENTS

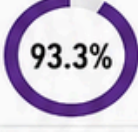

OVERALL PLACEMENT PERCENTAGE (2022-2026 BATCH)

PLACEMENT PERCENTAGE	AVERAGE SALARY PACKAGE (CTC)	HIGHEST SALARY PACKAGE (CTC)	COMPANIES VISITED / RECRUITED
91.9%	9.56 LPA	16.10 LPA	117

2025-26 STATISTICS

INTERNSHIP PROCESS

1

Starts after completion of
3rd semester (2nd year)

**2**

Students are encouraged to
have at least 3 internships,
out of which at least two
should be in disciplinary industry

**3**

Summer Internship
(May 21, 2026 – July 25, 2026)

**4**

Winter Internship
(November 24, 2026 –
January 06, 2026)

**5**

3rd year / end of 6th semester –
Compulsory 4 weeks for
Dept. evaluation

**6**

6 months Industrial Internship
in the 8th semester
if offered with Job Opportunities

Internship HIGHLIGHTS

15 students
Indian Institute of Technology, Madras.
7 under MoU exchange with IIT Madras

LIFE AT CAMPUS

While the permanent campus is under construction close to the state's lone airport at Lengpui, the institute is housed at a temporary campus in the picturesque city of Aizawl. It comprises an administrative block and ten academic blocks and laboratories. The institute also has an adequately equipped library. The classrooms are state of the art with virtual boards and projectors, for an interactive and enriching education.

Student Clubs

Arthkriti – B&F Club

Arthkriti- Business and Finance Club at NIT Mizoram is a platform where technical knowledge meets business strategy. The club is committed to empowering students with essential skills in finance, trading, sales, marketing, and entrepreneurship. Through hands-on learning, real-world projects, and expert guidance, we aim to create future business leaders and financial experts.

GDG (Google Developer Groups)

GDG NIT Mizoram is a student tech community exploring Google technologies. We host events and workshops to learn, build, and grow together.

Debate Club

The Debate Club at NIT Mizoram encourages students to think critically and speak confidently. It organizes debates, group discussions, and mock sessions on various topics including current affairs and social issues. The club builds communication, reasoning, and leadership skills essential for all professional fields.

Student Clubs

Robotics Club

The Robotics Club gives students practical experience in building robots and smart devices, focusing on embedded systems and automation. Members take part in national competitions, fostering innovation and teamwork.

Coding & AI Club

Our Coding and AI Club aims to create a strong and supportive community where students can explore coding, artificial intelligence, and new technologies together. We believe in learning through collaboration, creativity, and continuous improvement while helping each member build confidence and technical skills. Our vision is to 'Learn Together, Grow Together' and inspire innovation among students.

Student Clubs

Design Club

Design Club focuses on AutoCAD 2D/3D modeling, 3D printing, and UI/UX design using Figma. We conducted multiple sessions on UI/UX wireframing, prototyping, and implementing designs through code. We also organized a 3D Printing Workshop, where students converted their stencil designs into physical 3D objects. During the Tech Fest, we conducted a 2D Design Camp using FreeCAD, UI/UX Website Design code camp, providing students with hands-on experience in modern design and prototyping tools. 🚀

Energy Innovation Club

The Energy Innovation Club aims to nurture an ecosystem of research, creative design, and green entrepreneurship at NIT Mizoram. It bridges the gap between classroom theory and sustainable industrial applications by engaging students in hands-on prototyping, computational modeling, and green-energy innovations (such as Solar PV and EV technologies). The club empowers young minds to lead clean-energy initiatives and address global climate challenges through competitive ideathons and interdisciplinary collaborations.

Student Clubs

Photography Club

The Photography Club of NIT Mizoram captures the vibrant moments of campus life. Members learn the fundamentals of photography, including camera techniques and photo editing. The club covers institute events, organizes exhibitions, and promotes creative expression through visual storytelling.

Saryohan – Cultural Club

SARYOHAN – The Performing Arts Club of NIT Mizoram is a vibrant platform that brings together music, dance, and drama enthusiasts from all disciplines. The club celebrates creativity, expression, and cultural heritage through performances, workshops, and events. It aims to nurture talent, boost confidence, and promote artistic collaboration among students. SARYOHAN stands as a stage where passion meets performance.

Departmental Technical Societies

Electronics & Communication Engineering Society (ECE Society)

The Electronics & Communication Engineering Society (ECE Society) bridges academic learning with industry requirements by promoting innovation, technical excellence, and practical skill development. Through workshops, bootcamps, and hands-on projects, students gain experience in Arduino prototyping, Embedded Systems, Verilog, VHDL, and modern hardware and communication technologies.

The society regularly facilitates interactions with industry professionals and alumni, providing insights into emerging technologies, higher studies, placement strategies, and industry expectations. By participating in technical challenges, project development, and event management, students strengthen their leadership, teamwork, communication, and problem-solving skills, enhancing their professional competence and readiness.

Departmental Technical Societies

Mechanical Engineering Society (MES)

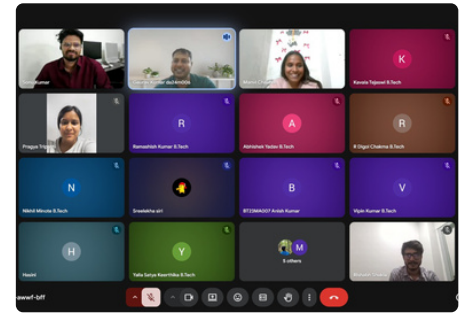

The Mechanical Engineering Society (MES) promotes technical excellence, innovation, and industry-oriented learning by bridging academic concepts with real-world engineering practices. Through design workshops, industrial safety lectures, advanced manufacturing programs, 3D printing bootcamps, and sustainability initiatives, the society provides hands-on exposure to modern technologies and emerging engineering challenges. By collaborating with industry experts, regulatory bodies, and specialized training organizations, students gain valuable insights into current industry standards and market demands. The society also fosters technical expertise in design, manufacturing, and systems analysis while developing leadership, teamwork, communication, and problem-solving skills, preparing students for successful careers and industry placements.

Departmental Technical Societies

Mathematics & Computing Society (MACS)

The Mathematics and Computing Society (MACS), NIT Mizoram, is a student-led academic society dedicated to promoting excellence, innovation, and intellectual curiosity in mathematics and computing. The society provides a platform for students to explore these disciplines beyond the classroom through workshops, seminars, coding competitions, hackathons, research discussions, and celebrations of significant mathematical events. By fostering analytical thinking, problem-solving abilities, and computational skills, MACS aims to create a vibrant learning environment that encourages academic growth and innovation.

Committed to connecting theory with real-world applications, the society supports students in pursuing research, higher studies, internships, and career opportunities while promoting collaboration with academia, industry, and the broader community. Through its diverse activities and long-term initiatives, MACS aspires to cultivate a strong culture of learning, creativity, and excellence, contributing to the development of future innovators, researchers, and professionals in mathematics and computing.

Departmental Technical Societies

Electrical Engineering Branch Society (EEBS)

The Electrical Engineering Branch Society (EEBS) promotes technical excellence, innovation, and professional growth by providing a platform for students to engage in practical learning, problem-solving, and leadership development. Through technical workshops, expert talks, industrial visits, project exhibitions, hackathons, competitions, and peer-learning activities, the society offers exposure to emerging areas such as renewable energy, electric vehicles, automation, smart grids, embedded systems, and data-driven engineering applications.

The society fosters technical expertise, communication, teamwork, and leadership skills through collaborative projects and industry interactions. It also supports placement preparedness through technical training, aptitude and interview preparation, resume-building workshops, alumni engagement, and industry-oriented learning initiatives, enabling students to become industry-ready professionals.

Departmental Technical Societies

Civil Engineering Society (CES)

The Civil Engineering Society (CES) bridges academic learning with industry practice by promoting technical excellence, practical engineering skills, and professional development. Through design competitions, expert lectures, corporate workshops, field visits, and case-study-based learning, students gain exposure to modern construction technologies, sustainable infrastructure, urban planning, and industry-standard tools such as AutoCAD and STAAD.

The society strengthens students' technical proficiency, analytical abilities, and problem-solving skills while providing guidance on career opportunities, higher studies, and competitive examinations. Through industry interactions, internships, and leadership-driven activities, CES fosters teamwork, communication, project management, and placement readiness, preparing students for successful careers in the infrastructure and construction sectors.

Departmental Technical Societies

Computer Science & Engineering Union (CSE Union)

The Computer Science & Engineering Union (CSE Union) fosters technical excellence, innovation, research, and professional development by providing a collaborative platform for students to explore emerging technologies and enhance their problem-solving abilities. Through hackathons, coding competitions, workshops, seminars, expert talks, project showcases, and peer-learning initiatives, the society promotes hands-on learning in domains such as Artificial Intelligence, Machine Learning, Data Science, Cybersecurity, Cloud Computing, Generative AI, and Software Development. The Union also facilitates interactions with academicians, researchers, alumni, and industry professionals, offering valuable industry exposure and career guidance. By encouraging technical, leadership, teamwork, and communication skills, it plays a vital role in strengthening students' industry readiness and placement preparedness.
