Eligibility Table
Qualifying Examination
JEE (Main) 2026 Paper 1 (B.E. / B. Tech.)
JEE (Main) 2026 Paper 2A (B. Arch.)
JEE (Main) 2026 Paper 2B (B. Planning)
Qualifying in the examinations mentioned above does not guarantee admission in any of the institutes. Each institute / academic program may have additional eligibility requirements. Candidates have to meet all the eligibility requirements to obtain admission.

The names of NITs, IIST, IIITs, Other-GFTIs, and a few other Technical Institutes are listed in **Annexure 1**.

It is mandatory for the candidates to register through “DASA and CSAB Special” Seat Allocation portal to obtain seats to be allocated through DASA 2026 in any of the NITs, IIST, IIITs, Other-GFTIs, and a few other Technical Institutes as mentioned in Annexure 1. The portal can be

reached at <https://csab.nic.in>.

The academic programs, along with the category-wise intake capacity known as seat matrix, will be announced on the online portal.

The information brochure stated herein will be strictly followed for allocating seats for the above-referenced academic programs for the academic year 2026-27, through DASA seat allocation scheme for the NITs, IEST, IITs, Other-GFTIs, and a few other Technical Institutes.

Seats to be allocated for admission through DASA scheme will be supernumerary. The total number of supernumerary seats allocated in each of the above institutes for admission to a program through DASA scheme is limited to up to 15% of the total number of seats of the respective institutes, program-wise.

There are various provisions contained in this Information Brochure which may not be reversible. 3. In the context of seat allocation, “academic program” refers to the combination

of academic program and institute. For example, a 4-year B.Tech. degree in Computer Science and Technology at IEST, Shibpur is referred to as an “academic program”.

A seat to the highest possible choice of academic program is allocated to the candidate considering the following factors:

- (i) The candidate’s category tag [DASA (Non-SAARC), DASA (SAARC), DASA-CIWG] (**see Section IV**).
- (ii) The position of the candidate in the Common Rank List (CRL).
- (iii) The order of preference of academic programs selected by the candidate.

10. Once logged in, all eligible candidates must register for DASA 2026 seat allocation as per the schedule (**Annexure 3**). In the online portal, each candidate will be asked a set of questionnaires, viz. nationality, OCI/PIO status, CIWG status, etc. At the time of registration, candidates will NOT be allowed to change their personal details such as name, father's / mother's / guardian's name, date of birth, and Class XII (or equivalent) examination board. The declaration regarding the same is to be submitted at the time of registration for DASA 2026. The format of the declaration is provided in **Annexure 4** of this document. For these candidates, balance amount (if any) will be refunded after adjustment as mentioned in **Annexure 6**.

Candidates, who have secured admission against allocated IIT seats during JoSAA rounds, are also eligible to register for DASA 2026 seat allocation process as fresh candidates after payment of DEF as mentioned in **Clause 11**, provided they meet the eligibility requirement of DASA. Such candidates may note that securing an IIT seat during the JoSAA rounds will prevent them from appearing for JEE (Advanced) 2027. In order to avail this option, the candidates have to deposit the same initial fee as applicable to DASA (Non-SAARC) category candidates, i.e., US\$ 4300 including non-refundable registration fee of US\$ 300. These candidates will be shown both CIWG and Non-CIWG seats (under DASA (Non-SAARC) category tag) as two different options for each academic program choice filling. 16. Candidates are strongly advised to make the payment well within time failing which their documents shall not be verified and therefore they cannot fill in any choice of academic programs and as a result such candidates will be out of seat allocation process. Such a process is not reversible and no requests would be entertained, as the entire process is computerized.
17. All admitted candidates are required to pay the balance tuition fee (if any) plus other fees (as applicable) for the 1st semester and subsequent semesters of study at the admitting institute. The collected tuition fee of 1st Semester will be transferred from DASA to the respective admitting Institute.

21. At the time of document verification, document verifying officer may raise

query(ies), which will be shown on the candidate's portal; the candidate must respond to the same in online mode (through the candidate's portal) within the stipulated time. Failure to respond to the query(ies) on time will lead to cancellation of the candidature and *the candidate will no longer be able to participate in the seat allocation process of DASA 2026.* It is the responsibility of the candidate to check the online portal at regular intervals of time and respond to queries (if any) without fail within the stipulated time. No separate intimation will be given to the candidates in this regard.

22. During the process of document verification, if there is any mismatch between the document uploaded earlier by the candidate during JEE (Main) 2026 registration and the document uploaded by the candidate on the seat allocation portal, and the same is found to be due to willful forgery/act of cheating, the offer of admission will be withdrawn and the candidate shall be debarred from further rounds of seat allocation. Thus, the candidate will forfeit the eligibility for admissions to any of the institutes through DASA 2026. The decision of Chairman, DASA 2026 on this issue shall be final and binding.
23. If a foreign national fail to produce valid proof of foreign nationality (i.e., foreign passport or citizenship certificate), the candidature of the candidate will be cancelled.
24. In case of any discrepancies in the uploaded documents noticed during the online document verification process, query (ies) may be raised and will be notified to the candidate only on the online portal. Candidates must respond to the query(ies) (by uploading new/modified document(s), if required) within the last date/time specified for the given round [see **Annexure 3**]. The candidates are advised to check the online portal regularly for queries, if any. Additional query(ies) may be raised in case discrepancy(ies) still persist(s). In such cases, the candidate must respond to the additional query(ies) within the last date/time specified for the given round [**Annexure 3**]. If all the queries are resolved based on the validity of the document(s) uploaded and the

candidate meets all the eligibility criteria then she/he will be allowed for choice filling and seat allocation process.

Failure to reply to the query(ies) raised would lead to cancellation of the candidature. In such cases, the candidate will NOT be considered for the DASA 2026 seat allocation process.

25. Verification Center shall verify the uploaded documents and ensure that the candidate meets all the eligibility criteria. If all the documents are found to be valid and all the eligibility criteria are met by the candidate, the candidate will be allowed for choice filling and seat allocation process.
26. Seat will be cancelled if, at any time, any of the documents / certificates is/are found to be invalid / fraudulent and/or the candidate does not meet all / any of the eligibility norms.
27. During the document verification of DASA-CIWG category candidates who have not opted to be considered for Non-CIWG seats (under DASA (Non-SAARC) category), if their CIWG status could not be established based on the submitted documents, then the candidate will be asked on the candidate portal if she/he wants her/his candidature to be considered for Non-CIWG seats (under DASA (Non-SAARC) category). Upon confirmation, the candidate must pay the Balance DEF (Difference amount of DEF for DASA (non-SAARC) and DASA-CIWG) and fill in the choices of Non-CIWG seats, which will be considered for seat allocation. If the candidate declines to consider herself/himself for Non-CIWG seats or does not confirm or fails to pay the Balance DEF in the stipulated time as mentioned in **Annexure 3**, her/his candidature will not be considered for any of the DASA seats. Refund, if any, shall be governed by the rules laid in **Annexure 6**.
28. **Requirement of independent re-verification/online reporting:** The various cases of independent re-verification/online reporting for the candidates who have filled in choices in both DASA 2026 (UG) and CSAB Special Rounds

2026 are delineated in the document entitled *Important Information for candidates registering for both DASA 2026 (UG) and CSAB Special Rounds 2026*, which is available in the website <https://csab.nic.in>.

29. **Availed the services of a scribe and/or compensatory time:** If it is found at any stage that a candidate has availed the services of a scribe and / or availed the compensatory time, but does not possess the requisite extent of disability, and/or does not have difficulty in writing, that warrants the use of a scribe and / or grant of compensatory time in JEE (Main) 2026, the candidate will be excluded from the process of seat allocation. In case such a candidate has already been admitted to any institute, the admission of the candidate will be cancelled.

(v) Payment of Balance DEF, if applicable

Refer clause number 11 for payment of balance DEF.

(vi) Online Choice Filling and Locking

30. After successful fee payment and document verification, candidates are required to fill in their CHOICES of academic programs. Candidates are advised to carefully fill their CHOICES and save them frequently during the process. In case, choices filled in are not saved by the candidate, these will NOT be auto-saved by the system at the end of the choice filling stage and the unsaved choices shall not be considered for seat allocation. If the candidate has not saved at least one choice then she/he will NOT be considered for any seat allocation. The registered candidates whose documents are verified successfully, will be able to fill in their choices. Candidates are also advised to check the special eligibility criteria, if any, for the academic programs before making their choices. A list of such criteria is available on the website. All the saved filled in choices will be considered for allotment through DASA seat allocation process.
31. Both Non-CIWG seats (under DASA (Non-SAARC) category) and CIWG

seats will be available for double tag candidates to fill their choice of academic programs. Single tag DASA-CIWG candidates whose CIWG status are not established during document verification, may fill in the choices of Non-CIWG seats as per **Clause 27**.

32. Candidates **MUST** “lock” their choices on or before the last day of choice filling. If the candidates do **NOT** lock their choices, their last **saved** choices will be locked automatically upon reaching the deadline for choice filling (as per the DASA 2026 schedule). If no choices are saved, the candidate will not be considered for allotment of any seat. Once locked, the choices filled by the candidates cannot be edited. Candidates willing to edit their locked choices may do so by submitting an online request from candidates’ portal well before the choice filling deadline. An OTP will be sent to the registered mobile number and email, which can be used to validate the unlock request. Once validated, candidate’s choices will be unlocked. Candidates will **NOT** be allowed to edit their choice-list after the deadline for choice filling, i.e., candidates **CANNOT** change the order of their choices **OR** add any more choices **OR** delete any choices from their choice-list after the deadline for choice filling.
33. Candidates must fill and save at least one choice of academic program to be considered for seat allotment. Candidates who failed to fill and save at least one choice will **NOT** be considered for seat allotment.
34. Candidates must **download and take a printout** of their locked choices. This printout consists of the terms and conditions as agreed by the candidates during choice filling.
35. Candidates are advised to take advantage of the mock seat allocations and choose **ALL** academic programs that they are willing to join in the order of preference. Candidates who want to take the advantage of mock seat allocations should pay the necessary DEF and upload the documents well in

36. **Restrictions for Admission to Specific Programs:** Some of the academic programs in various institutes have special eligibility/restrictions for admission based on the criteria laid by the participating institutes, which is available in the websites <https://csab.nic.in>. It is the candidates' responsibility to ensure that they fulfill/satisfy special eligibility/restrictions of the academic program before they include the same in the list of choices. The special eligibility/restrictions of the allotted academic program shall be verified at the time of admission, and in case a candidate fails to fulfill/satisfy, the admitting institute has the right to cancel the allocated seat.

Candidates are strongly discouraged from sharing their login information/credentials with others.

(vii) Round I - Seat Allotment

37. Seat Allotment results will be published ONLINE only. Seat allotment will be carried out according to JEE (Main) 2026 Common Rank List (CRL). It is the candidate's responsibility to login to the portal and check if a seat is allocated in a given round of seat allocation. No separate intimation of seat allocation will be given to the candidate. A schedule of DASA activities is available in **Annexure 3** of this document. When a candidate is allocated a seat for the first time in any round, steps of "Online Reporting" mentioned in **Clause 38** MUST be completed in order to accept the allocated seat before the deadline specified for the same round, which is the round in which seat is allocated.

The Common Rank List (CRL) provided by the JEE Apex Board 2026 will be used as such without any change even if two or more candidates have the same rank; in other words, DASA 2026 will NOT apply any tie-breaking norms / rules.

In the event that there is fewer numbers of seats available under a particular

category in an academic program than the number of candidates with the same CRL seeking admission to the same program, then all those candidates will be offered seats by creating a requisite number of additional supernumerary seats.

38. **Online Reporting:** A candidate who has been allocated a seat needs to download the “Initial Seat Allotment Intimation Slip” which has information regarding the Seat Allotment and steps to be followed for seat confirmation by the candidate.

Exercising willingness

The candidate needs to exercise the willingness mandatorily against the allocated seat by opting any one of the willingness ‘Freeze’, ‘Slide’, ‘Float’, ‘Surrender’, or, ‘Withdraw’ (see Section VI).

39. Candidates who do not exercise the available willingness option, will be AUTOMATICALLY MOVED to the next round (if any) with ‘**Float**’ as their DEFAULT willingness option. However, if s/he is allocated the seat of first choice then the default willingness option will be ‘**Freeze**’.

VI. Willingness options during the rounds

40. When a candidate is allocated a seat for the first time, during online reporting she/he has to opt for any one of the willingness options, i.e., ‘Freeze’, ‘Float’, ‘Slide’, ‘Surrender’, ‘Withdraw’, which will be applicable for the next round (if any) of seat allocation. The definition of each of these willingness terms is given in this clause. Candidates who are not exercising the available willingness option, will be AUTOMATICALLY MOVED to the next round (if any) with ‘**Float**’ as their DEFAULT willingness option. However, if s/he is allocated the seat of first choice then the default willingness option will be ‘**Freeze**’.

(A) Freeze:

Choosing the option “*Freeze*” means that the candidate accepts the offered seat and indicates that the candidate is satisfied with the allocated academic

program and that the candidate **does not want to participate in further round of seat allocation while retaining the same seat**. Such candidates will NOT be considered in subsequent round of seat allocation, if any. Their chosen seat shall remain allocated to them and shall be confirmed.

(B) Float:

Choosing the option “Float” means that the candidate accepts the offered seat and indicates that, if an academic program of higher preference in **any Institute** is offered in subsequent round of seat allocation, the candidate will accept it. Else, the candidate will continue with the currently accepted academic program. Such candidates will be considered in subsequent rounds of seat allocation, if any.

(C) Slide:

Choosing the option “Slide” means that the candidate accepts the offered seat and indicates that, if an academic program of higher preference is offered **within the same Institute** in subsequent round of seat allocation, the candidate will accept it. Such candidates will be considered in subsequent rounds of seat allocation, if any.

(D) Surrender:

Candidate REJECTS the allotted seat and wishes to participate in next Round of seat allotment. Hence the allotted seat will be cancelled. Allotment in the next round will be considered from the choices higher than the surrendered seat. The candidates who have secured a seat by paying PAF at the end of JoSAA 2026 rounds and have participated in “DASA and CSAB-Special” seat allocation process 2026 can also exercise ‘surrender’ option. **In such cases, the candidate will lose the seat irrespective of whether she/he had secured the seat in JoSAA rounds or “DASA and CSAB Special Rounds 2026”**. ‘Surrender’ option will not be available in the last round of seat allocation.

(E) Withdraw:

Candidate REJECTS the allotted/accepted seat and does not wish to participate in subsequent rounds of seat allotment. Hence the allotted/accepted seat will be cancelled irrespective whether the seat was accepted during JoSAA rounds or it is allotted/accepted in “DASA and CSAB Special Rounds 2026”. The candidate will be out of seat allocation process, i.e., she/he shall not be considered for subsequent round of seat allocation, if any. Further details on the ‘Withdraw’ option are elaborated in **Section VIII**.

41. In case the candidate has been allocated a seat as per the candidate’s first choice, the candidate will not be shown ‘Float’, ‘Slide’, and ‘Surrender’ willingness options. In other words, the candidate has been allocated the best choice as per her/his choice list and therefore, she/he must exercise the willingness option of ‘Freeze’ in order to retain the seat. Candidates who are not exercising the willingness option in this case, the default willingness option will be ‘Freeze’ for these candidates.
42. In case the candidate has been allocated a seat which is other than the candidate’s first choice and the candidate wants to retain the seat then she/he MUST choose the ‘Freeze’ option. In case the candidate wants to be considered for a higher choice in her/his list of choices by RETAINING the allocated seat, in subsequent rounds, the candidate MUST choose one of the available options (i.e., ‘Float’, ‘Slide’). If the candidate wishes to be considered for a higher choice in her/his list of choices by REJECTING the currently allocated seat, the candidate can choose the ‘Surrender’ option. Candidates who are not exercising the available willingness option, will be AUTOMATICALLY MOVED to the next round (if any) with ‘Float’ as their DEFAULT willingness option. However, if s/he is allocated the seat of first choice then the default willingness option will be ‘Freeze’.
43. For candidates who choose the ‘Float’ or ‘Slide’ option, allocation of a seat in an academic program of the candidate’s higher preference would

automatically result in the replacement of the seat accepted by the candidate in the earlier round. Candidates will not have any claims on the previously allocated seats.

(Candidates are thus advised to fill in their list of choices carefully and exercise the options of Freeze, Float, Slide, Surrender, and withdraw even more carefully).

44. In the last round, all allotments are presumed to be accepted with the 'Freeze' option.
45. If a candidate opts 'Freeze' against a seat, the option cannot be changed to 'Float', 'Slide', or 'Surrender' in the subsequent rounds under any circumstances. No communication on this matter shall be entertained.
46. Exercised willingness continues to remain the same in case the candidate does not change the willingness in the subsequent rounds (if any). Candidate's exercised 'Freeze' option cannot change to 'Float', 'Slide' or 'Surrender' options. Similarly, candidates exercising the 'Slide' option cannot change to 'Float' or 'Surrender' option.
47. The following willingness is applicable only for those candidates who have NOT BEEN ALLOTTED any seat.

Exit: Those candidates who neither have a SECURED seat in JoSAA 2026 in NIT+ System nor have seat allocated till this round of "DASA and CSAB-Special" Seat Allocation Process 2026 can exercise the option of "EXIT", if they desire. This implies that the candidate is not willing to participate in subsequent rounds of seat allocation (if any). Further details on 'Exit' option are elaborated in Section IX.

VII. Physical reporting at the admitting institute

48. At the conclusion of DASA seat allocation and seat acceptance, candidates will have to report physically at the admitting institute, and complete all the

admission formalities of the Institute including payment of balance Institute/Admission fees, if any, get the admission confirmed and begin the academic session. At the time of the physical reporting at the admitting institute, all the certificates will be re-checked by the admitting Institute and the admission will be cancelled if these fail to meet the requirements as per the prevailing norms. Candidates allocated a seat are advised to refer to the respective admitting institute website for the schedule of Physical Reporting. At the time of admission or later, if any of the uploaded documents is found to be forged or fake, then the allocated seat and the candidature will be canceled. The final confirmation pertaining to the admission is subject to production of valid and original eligibility documents and their physical verification at the admitting institute. At any stage, if any of the documents is found to be invalid, the allotted seat along with the candidature will be cancelled.

VIII. Exercising ‘Withdraw’ option

49. A candidate, who has already accepted a seat in any of the institutes allotted by “DASA and CSAB Special” Seat Allocation Process 2026, can withdraw the seat by reporting online and following the steps contained in **Clause 52** below. This option is available only till the first round of seat allocation. Please see **Annexure 3** for the timeline.
50. If a candidate withdraws a seat, the candidate’s allotted seat will be cancelled and offered to another candidate in a subsequent round of allotment. The candidate withdrawing the seat shall be excluded from the DASA seat allocation process, which means the candidate shall not be considered for subsequent rounds of seat allocation (if any). Such candidates will be refunded a part of DEF after deducting applicable processing charges as detailed in **Annexure 6**. Thus, the candidate will forfeit the eligibility for admissions to any of the institutes through DASA 2026.
51. There is no option of withdrawing an accepted/allotted seat after the

commencement of the last round of seat allocation.

52. For withdrawal, the candidate must login to her/his seat allocation portal and submit a declaration as mentioned in **Annexure 7** within the timelines given in **Annexure 3**.
53. An OTP will be sent to the candidate's mobile number and email ID. The candidate shall use this OTP to confirm that the candidate wants to withdraw from the seat allocation process.
54. The candidate also confirms during withdrawal that this would result in cancellation of allocated seats and she/he will not be considered for subsequent rounds of seat allocation for DASA and CSAB Special Rounds 2026 (if any).

IX. Exercising 'Exit' option

55. A candidate, who has NOT been allotted a seat in DASA 2026, can EXIT from the seat allocation process through the seat allocation portal in the 1st round, i.e. before start of the second round of seat allocation. Since DASA 2026 conducts a total of two rounds of seat allocation, candidates can exit until and including the first round of seat acceptance period. Please see **Annexure 3** for the timeline. Thus, the candidate who exits will forfeit the eligibility for admission to any of the institutes as mentioned in **Annexure 1** through DASA 2026.
56. Candidates who have exercised exit option will NOT be considered for subsequent round of seat allotment (if any). Thus, the candidate will forfeit the eligibility for admissions to any of the participating institutes.
57. There is no option of exit from the seat allocation process after the commencement of the last round of seat allocation.
58. The following is the process for Exit option from the seat allocation process of DASA 2026:

Step 1: The candidate must login to her/his seat allocation portal and submit

a request for EXIT.

Step 2: An OTP will be sent to the candidate's mobile number and email ID.

The candidate will have to enter this OTP to confirm that the candidate wants to EXIT from the seat allocation process. The candidate will be shown a warning message on the consequence of exit.

Step 3: Upon confirming the EXIT, the request shall be processed online and the candidate will not be considered for subsequent round of seat allocation.

X. Change of class XII (or equivalent) passing status

59. Candidates will have options to declare the class XII (or equivalent) passing status as per the following during document uploading.

(A). Appeared for the final examination and results awaited.

(B). Results declared and applied for re-totaling/re-evaluation.

(C). Final results declared (and NOT applied for re-totaling/re-evaluation).

If the candidate chooses an option against 59(A) OR 59(B), they will be allowed for registration of DASA 2026 based on their declaration (as per the format given in **Annexure 14**). These candidates are required to prove their eligibility by providing class XII (or equivalent) passing status. The revision of passing status must be submitted by approaching the coordinating institute (IEST Shibpur) during seat allocation rounds OR to the admitting institute even after allotment/admission within September 30, 2026. If these candidates are unable to show their eligibility with class XII (or equivalent) passing status with at least 75% marks (OR 7.5 CGPA out of 10), their allotted seat and candidature will be cancelled.

If the candidate chooses an option 59(C), the candidature of the candidate will be verified after payment of DEF. Upon successful verification, the candidate will be allowed for choice filling for seat allotment.
